To Dr. A. J. Schwarte, Jr.

Dear Sir: I hereby acknowledge a debt of gratifued due you, in saying that I attribute my present state of good health entirely to the use of your invaluable preparation of Sarsaparilla. Having been afflicted with an Inflammatory Rheumatic Affection of the knee-joint, which swelled to such a degree as to confine me to bed for many weeks, depriving me of the entire use of iny limb, and having been transled by the most eminent physicians, without the least prospect of recovering. I made use of your Extract of Sarsaparilla to the amount of 5 bottles, after which I began to use my limb, and upon its further use had the satisfaction to find the disease radicated and my general health very much improved. Two years have now clawed and my health still continues good. You are at liberty to make use of this as you may think proper.
